# Victaulic Outlet Fitting
# No. 26 and No. W26

No. 26 Outlet Fitting

## 1.0 PRODUCT DESCRIPTION

- Designed specifically for any application where a one-piece manufactured header or manifold is needed to serve as a central connection for distributing a fluid supply in a piping system
- All-in-one assembly reduces installation and handling
- Used in conjunction with Victaulic grooved end products
- Victaulic Outlet Fittings are supplied with roll grooved ends:
  - No. 26: Up to 12"/DN300 – Original Groove System (OGS)
  - No. W26: 14 – 60"/DN350 – DN1500 – Advanced Groove System (AGS)
- Pressure ratings conform to the lowest pressure rating for the adjoining couplings, attached fittings, or valves

## 2.0 CERTIFICATION/LISTINGS

Not applicable – contact Victaulic with any questions.

**ALWAYS REFER TO ANY NOTIFICATIONS AT THE END OF THIS DOCUMENT REGARDING PRODUCT INSTALLATION, MAINTENANCE OR SUPPORT.**

## 3.0 SPECIFICATIONS - MATERIAL

**Steel: (specify choice)**

- ☐ Standard: Carbon steel, standard weight, conforming to ASTM A53, Type E, Grade B
- ☐ Optional: Contact Victaulic with your requirements

**Optional Coupling Housing: (specify choice)**

- ☐ 2 – 12"/DN50 – DN300: Ductile iron conforming to ASTM A536, Grade 65-45-12
- ☐ 14 – 60"/DN350 – DN1500: Ductile iron conforming to ASTM A536, Grade 65-45-12

**Optional Gasket:**

- ☐ **Grade "EHP" EPDM (Sizes 2 – 12"/DN50 – DN300 only)**
  EHP (Red and Green stripes color code). Temperature range –30°F to +250°F/–34°C to +121°C. May be specified for hot water service within the specified temperature range plus a variety of dilute acids, oil-free air and many chemical services. NOT COMPATIBLE FOR PETROLEUM SERVICES.
- ☐ **Grade "E" FlushSeal™ EPDM (Sizes 14 – 60"/DN350 – DN1500 only)**
  EPDM (Green stripe color code). Temperature range –30°F to +230°F/–34°C to +110°C. May be specified for hot water service within the specified temperature range plus a variety of dilute acids, oil-free air and many chemical services. UL Classified in accordance with ANSI/NSF 61 for cold +73°F/+23°C and hot +180°F/+82°C potable water service and ANSI/NSF 372. NOT COMPATIBLE FOR USE WITH PETROLEUM SERVICES OR STEAM SERVICES.

**Optional Fitting (No. 26/No. W26 only):** Ductile iron conforming to ASTM A536, Grade 65-45-12

**Optional Fitting Coating (No. 26/No. W26 only): (specify choice)**

- ☐ Standard: Orange enamel
- ☐ Optional: Hot dipped galvanized conforming to ASTM A153
- ☐ Optional: Please list your optional requirements in the box below, and contact Victaulic for availability and pricing

**Optional Valve: (specify choice)**

- ☐ 2 – 6"/DN50 – DN150: 10 Position Lever Handle – Zinc-plated carbon steel handle with zinc-plated carbon steel latch plate and zinc-plated carbon steel fasteners, infinitely variable and padlockable. Optionally available with tamper-resistant hardware.
- ☐ 8 – 24"/DN200 – DN600: Gear Operator, provided with handwheel.

**NOTE**

- Series W761 Vic-300™ MasterSeal™ Butterfly Valves are not available above 24"/DN600.

**End Details:**
Original Groove System – OGS
Advanced Groove System – AGS

Instrumentation/vent taps are available in the following NPT sizes: ¾", 1", 1 ¼", 1 ½" and 2". To include on your No. 58/W58 Eccentric Reducing Outlet Fitting, indicate in the chart below.

| Outlet Details | A | B | C | D | E | F |
|---|---|---|---|---|---|---|
| Outlet Nominal Pipe Size | | | | | | |
| Center to End (C-E1) | | | | | | |
| Center to Face (C-F) | | | | | | |
| Orientation (0-359°) As Viewed From End E1 | | | | | | |
| NPT Tap Size | | | | | | |
| Valve Included: Yes/No (Same Size As Outlet) | | | | | | |
| If Yes, Specify Which Valve | | | | | | |
| Cap Included: Yes/No | | | | | | |
| **Reducer Details** | **R1** | **R2** | **R3** | **R4** | **R5** | **R6** |
| Orientation (0-359°) of Flat Side of Eccentric Reducer As Viewed From End E1 | | | | | | |

1 2 – 24"/DN50 – DN600 No. 58/W58 Eccentric Reducing Outlet Fittings can be provided with a maximum length of 19.5 ft/5.9 m.

2 26"/DN650 and larger No. W58 Eccentric Reducing Outlet Fittings can be provided with a maximum length of 19.5 ft/5.9 m.

**NOTES**

- The No. 58/W58 Eccentric Reducing Outlet Fitting is available with an optional Style 107V/W07 Rigid Coupling and No. 60/W60 Cap. Refer to US General Price List for coupling and cap pricing. Coupling and cap will be sized as per the connection size indicated on the No. 58/W58 Eccentric Reducing Outlet Fitting.
- All Series 761/W761 Vic-300™ MasterSeal™ Butterfly Valves to be assembled with a Style 107V/W07 Rigid Coupling and a No. 60/W60 Cap.
- 2 – 6"/DN50 – DN150: Valve with 10 position lever handle. 8 – 24"/DN200 – DN600: Valve with gear operator. Series W761 Vic-300™ MasterSeal™ Butterfly Valves are not available above 24"/DN600.
- Any cap supplied on a Victaulic valve will include a ¾" tap for pressure bleed.

## 5.0 PERFORMANCE

The selected coupling, size, wall thickness, and material will determine the pressure performance of the No. 26/W26 Outlet Fitting.

## 6.0 NOTIFICATIONS

**⚠ WARNING**

- **Read and understand all instructions before attempting to install any Victaulic products.**
- **Always verify that the piping system has been completely depressurized and drained immediately prior to installation, removal, adjustment, or maintenance of any Victaulic products.**
- **Confirm that any equipment, branch lines, or sections of piping that may have been isolated for/during testing or due to valve closures/positioning are identified, depressurized, and drained immediately prior to installation, removal, adjustment, or maintenance of any Victaulic products.**
- **Wear safety glasses, hardhat, foot protection, and hearing protection.**

**Failure to follow these instructions could result in death or serious personal injury and property damage.**

## 7.0 REFERENCE MATERIALS

29.01: Victaulic Terms and Conditions/Warranty

I-100: Field Installation Handbook

I-ENDCAP: Victaulic End Cap Installation Safety Instructions

**User Responsibility for Product Selection and Suitability**

Each user bears final responsibility for determining the suitability of Victaulic products for their end-use application, in accordance with industry standards, project specifications, and Victaulic's published performance, maintenance, and safety data, as well as all warnings and installation instructions. Nothing in this or any other document, nor any verbal recommendation, advice, or opinion from any Victaulic employee, shall be deemed to alter, vary, supersede, or waive any provision of Victaulic Company's standard conditions of sale, warranty, installation instructions, or this disclaimer.

**Installation**

Always refer to and follow the Victaulic Installation Handbook or installation instructions for the product you are installing. Handbooks are included with each shipment of Victaulic products, providing complete installation and assembly data, and are available in PDF format on our website at victaulic.com.

**Warranty**

Refer to the Warranty section of the current Price List or contact Victaulic for details.

**Intellectual Property Rights**

No statement concerning the use of any material, product, service, or design is intended, or should be construed, to grant any license under any patent or other intellectual property right of Victaulic or any of its affiliates, or as a recommendation for the use of such material, product, service, or design in the infringement of any patent or other intellectual property right. The terms "Patented" or "Patent Pending" refer to design or utility patents or patent applications for articles and/or methods of use in the United States and/or other countries. Victaulic and all other Victaulic marks are the trademarks or registered trademarks of Victaulic Company, and/or its affiliated entities, in the U.S. and/or other countries.

**Note**

All products bearing a Victaulic trademark are manufactured by Victaulic or to Victaulic specifications. All products are to be installed only in accordance with the applicable Victaulic installation instructions. Victaulic reserves the right to change product specifications, designs and standard equipment without notice and without incurring obligations.
