

VICTAULIC: YOUR INTEGRATED PROJECT DELIVERY PARTNER

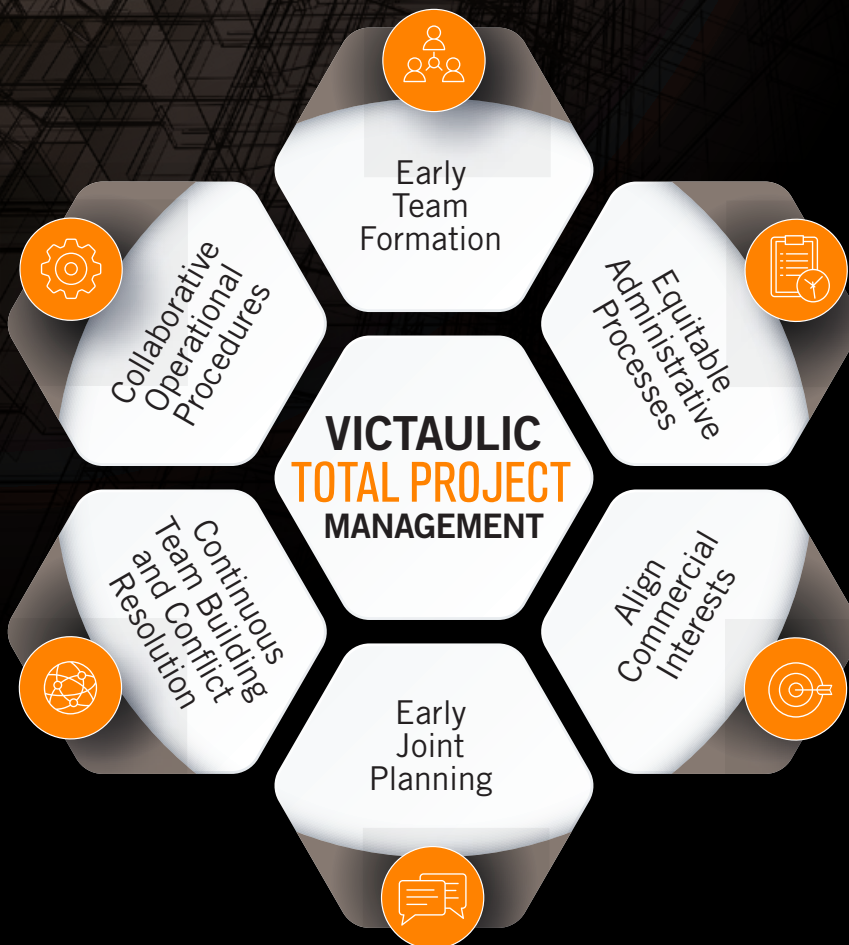

IPD

FASTER FROM THE STARTSM

VICTAULIC TOTAL PROJECT MANAGEMENT: YOUR INTEGRATED PROJECT DELIVERY PARTNER

Minimize risk and increase schedule certainty

Victaulic offers a full suite of IPD services to assist with the business development of potential new projects, implementing lean processes from preconstruction through installation (BIM and drawing services, estimation, prefabrication, and field construction). Victaulic also offers accredited certification for installers, trainers and system inspectors.

Built on the pillars of IPD

Victaulic Total Project Management is built on the pillars of IPD. These six pillars have been proven to significantly increase project performance in terms of safety, cost and schedule certainty and quality, leading to overall project savings.

DESIGN TO CONSTRUCTION

Software and Content Development

Training on best Virtual Design Construction (VDC) processes

Estimating Analysis

BIM Coordination and Drawing Packages can help to reduce man-hours, calendar days and unexpected costs in design and in the field.

Product Specification and Selection Services

Value Engineering such as accommodating system movement, vibration attenuation, system flexibility, alignment ease etc.

LEAN CONSTRUCTION

Lean Prefabrication Concepts can increase fabrication shop efficiency and output by removing bottlenecks.

- Lean manufacturing concepts applied to fabrication shop and field
- Lean fabrication shop evaluations
- Victaulic Fabrication Cell

INTEGRATED SUPPLY CHAIN

Safer System Installations translates to fewer man-hours, lower costs and less exposure to risk.

Bag and Tag Services minimize material handling.

Coordinated Shipments deliver products when and where you need them.

Training and Continuing Education Opportunities

Victaulic System Solutions provide products and services designed to meet even the most challenge system requirements.

CERTIFICATION AND INSPECTION

Full Service Certified Training Program gives contractors an unmatched competitive edge in the industry. The Victaulic Contractor Certification Program is designed to produce extensively-trained contractors and installers in the professional art of grooving and installing Victaulic products. The contractor provides the workforce and Victaulic provides the trainers, the courses and the certificates.

Inspection Services places a guarantee on the pipe installation for the life of the system.
