Subject: Globe Concealed Sprinklers using Victaulic Marked Cover Plates.

Dear Victaulic,

This is regarding our Phone conversation of February 19, 2021, regarding the cover plate marking of Globe Fire Sprinkler concealed sprinklers.

The Victaulic cover plates are identical to the Globe cover plates. Therefore, the Victaulic cover plates can be used on the Globe sprinklers per the table on the following page until the transition of the Globe products to Victaulic products has been completed.
