CUSTOM FINISH			
Victaulic proprietary coatings or customer provided finish specification. Allow 4-6 weeks for samples for customer finish specifications. See List Adders for Sprinklers at the beginning of this section.			

+ Quoted on application. Contact Victaulic for pricing and availability.

NOTE: When applicable, VC-250 should be used in conjunction with stainless steel escutcheons.

Recommended Wrenches: V27 Open End, V27-2 Concealed Recessed. See Accessories for part number and price.

† Capped packaging available. Contact Victaulic for details.

Not all temperature ratings are listed and approved for recessed applications. Refer to product specifications for details.

Escutcheons: For V2762 – ½" NPT x ½" ADJ, ½" NPT x ¾" ADJ. See Accessories for part number and pricing.

^{NR} Non-returnable

Items listed in shaded areas and custom finishes are non-cancellable and non-returnable.
Unopened, full boxes of standard product less than two years old will be accepted for return.
