These terms and conditions are subject to change without notice:**

1. **Prices:** Quoted are subject to change at any time unless specifically stated within the price quotation.
2. **Force Majeure:** Victaulic shall not be liable for any delay or failures in making delivery where occasioned by strikes or differences with workmen or by any causes beyond the control of Victaulic, such as but not limited to, fires, floods, accidents, epidemic, action of any government authority, or shortages of labor, raw materials, production facilities or transportation.
3. **Product Changes:** Victaulic reserves the right to alter, modify, or redesign its products without liability for obsolescence.
4. **Taxes:** All federal, state or local sales or use of similar taxes shall be for the Customer's account.
5. **Terms: Pipe and fittings, solvent, lubricant and other accessories:** Our standard terms are net 30 days. The seller reserves the right to charge 1½% monthly service charge (or the maximum permitted by law), of any past due, unpaid balances.
6. **List Price: Discount or Freight Changes:** List prices of pipe, fittings, etc., discounts and freight terms are subject to change without notice.
7. **Order Acceptance or Rejection:** Victaulic reserves the right to accept or reject any order. Possession of a price list does not constitute an offer to sell.
8. **Credit Approval:** Customer credit approval is required prior to any shipments. Should customer's financial responsibility become unsatisfactory, cash payments or satisfactory security may be required prior to delivery.
9. **Shipping Terms:** Aquamine pipe is shipped in convenient 20-foot lengths and is packaged in palletized units. Shipping and handling charges will be paid by the customer F.O.B. Victaulic's facility in Bristol, TN. The most economical rate and routing to recognized delivery points will be used at our discretion. Any order amounts for Aquamine pipe which do not constitute even "Fast Pack" quantities, as defined in the current Aquamine catalog will be subject to a \$35 per pack "Broken Pack" surcharge. This amount will be charged for each pack on each order, which fails to meet the standard packaging criteria. The broken pack charge will be calculated and assessed in addition to any other shipping fees or surcharges. Where customer requests special packaging or handling, the additional cost will be billed to the customer.
10. **Damage, Loss or Shortage Claims:** Upon receipt of order, customer must check for accountability and acceptability of goods. Any damage, loss or shortage should be reported to the driver and noted on his billing papers.

In the event that a common carrier is retained by Victaulic on Customer's behalf to deliver shipments to customer's requested point of delivery, the risk of any damage or loss to said shipment shall pass to the Customer upon delivery of the shipment by Victaulic to the carrier even though Victaulic may agree to be responsible for the costs of shipment. Shipments must be inspected for damage or loss or shortage upon receipt by consignee prior to acceptance from the carrier. Any damage or loss claims must be made to the carrier. Victaulic will not be liable in any manner for damage or loss caused to a shipment by a common carrier. Shortage of material claims regardless of "mode of shipment" must be submitted in writing to Victaulic within 30 days of invoice date.
11. **Cancellation:** Non-Standard or customer produced pipe and/or fittings are not subject to Customer's cancellation once production has begun.
12. **Non-Standard Products:**

**Definition A. Piping:** This is a piping product which the plant servicing the customer has the capability of producing but does not inventory, or does not have the capability of producing. In these instances, the customer should check for availability and minimum quantity required to process order.

**Definition B. Fittings:** As defined on the price pages, or those "welded-up" especially for the Customer. Fittings not shown by Victaulic which must be specially fabricated must be submitted for consideration, advising quantity and pertinent details, through your local sales representative for availability and pricing.
13. **Returned Materials:** Forward individual request to Victaulic. Materials cannot be returned without prior approval and written authorization issued by Victaulic. Material returned without prior approval and written authorization will not be accepted at the plant. A restocking charge and freight costs of returned material (and out-freight if applicable) will be charged to the account of the customer.

In addition, the Victaulic Quality Control Department will determine acceptability of returned material for restocking and resalability. Credit will be issued on resalable material only.
14. **Delivery:** Quoted deliveries are based on estimates at the time of quotation. Victaulic will devote its best efforts to meeting delivery schedules but assumes no liability for additional direct, consequential, or incidental costs or damages resulting from late deliveries.
